COMPANY BIO

Security 1st Consulting (S1C) is a privately held, Service-Disabled Veteran-Owned Small Business located in the Charleston, SC area, with over 20 years of experience in cybersecurity. We have worked with both the U.S. Government and the Private sector. S1C is poised to deliver excellency for all your cybersecurity needs. We specialize in a wide range of technology such as assessments, penetration testing, and risk mitigation.

CORE COMPETENCIES

Security 1st Consulting has the experience you need when defending networks, systems and critical infrastructure and the knowledge needed to identify, collect, process and take action on your organizations cybersecurity threats.

Services we offer but not limited to:

- Training
- Information Assurance
- Risk Management
- IT Consulting
- Information Security
- Cyber Security

DIFFERENTIATORS

S1C understands the importance of ensuring that our customers networks and systems are properly secured.

Due to the ever changing and more sophisticated methods of the perpetrators, we only use the latest industry leading approaches in order to make sure our customers fully comply with NIST, DIACAP, RMF, CMMC or other guidelines or regulations of their industry.

PAST PERFORMANCE

- United States Coast Guard (USCG)
- Federal Emergency Management Agency (FEMA)
- Naval Information Warfare Center (NIWC)
- National Science Foundation (NSF)
- United States Marine Corps (USMC)
- United States Air Force (USAF)
- United States Navy (USN)
